- (c) whether the custodial deaths in some States have increased alarmingly and neither the Union Government nor the concerned State Government have contemplated any serious efforts to check the trend;
- (d) if so, the details thereof; and
- (e) whether the guidelines/instructions issued by the Union Government on custodial deaths are flouted by State Governments and if so, the further reaction of the Government in this regard?

(*See below*). There has been a downward trend in custodial deaths reported in the year 2000-2001 as compared to the earlier years.
